

DEVOPS FOUNDATION (DEVOPS INSTITUTE)

DevOps Institute Foundation learning pathway

DevOps

Software Delivery

**Get certified. Get ahead.
Together.**

Develop your understanding. Connect concepts with practice. Plan your next professional step.

Course attendance and certification are separate. Confirm the relevant assessment requirements and package inclusions.

LEARNING WITH THE AGILENOW

About Company • About Course • Key Features

About Company

The AgileNow supports professional development through expert-led certification and skills training in Scrum, Agile, Project Management, ITSM and technical subjects.

About Course

DevOps Foundation explores how development, operations and other teams work together to improve software delivery and service reliability. DevOps Institute certification information is provided through PeopleCert.

Key Features

Role-focused learning

Relevant certification or technical pathway.

Clear course scope

Review entry requirements and curriculum.

Practical discussion

Connect concepts with workplace scenarios.

Training options

Confirm format, materials and exam inclusion.

YOUR LEARNING JOURNEY

What You Will Get • Course Curriculum • Prerequisites • Who Should Attend

What You Will Get

Explore shared responsibility and learning across delivery roles.

Make handovers, queues and dependencies visible.

Identify how teams learn about delivery and service outcomes.

Discuss the purpose of automated checks and release preparation.

Prerequisites

Software delivery knowledge is useful. Confirm the Foundation scope and expected preparation; engineering courses may require different experience.

Course Curriculum

01 DevOps foundations

02 Workflow mapping

03 Feedback and collaboration

04 Integration and delivery concepts

05 Automation concepts

06 Operational learning

07 Measurement and priorities

08 Certification preparation

Who Should Attend

Software developers, testers and operations professionals; Release, platform and reliability teams; Managers and project professionals involved in software delivery

QUESTIONS & YOUR NEXT STEP

Frequently Asked Questions • Contact Details

What is DevOps Foundation training?

It introduces collaborative working and foundational practices for software delivery and service operation.

Which certification does this page cover?

This page covers the DevOps Institute DevOps Foundation pathway listed by PeopleCert. Confirm the examination arrangements in the selected course package.

Does course completion award certification?

Course attendance and certification are separate. Check the relevant awarding body or vendor assessment requirements.

Are exam fees and materials included?

Confirm examination inclusion, learning materials and practice environment access in your selected package.

What are the dates and delivery options?

Ask about availability, duration, fees and online, classroom or corporate training options.
